

THE ABC MEGA GUIDE

Route	Departure Date	Number of Days	Budget

Whether you'd like an active holiday, a chilled weekend break, or a cosy winter getaway, packing can feel like a chore. Your palms might feel sweaty at the thought of it! That's why we've listed the essentials, so all you need to do is tick off what you need before setting off on your boating holiday.

Before you get checking away, here are a few things you don't need to worry about, as we already have them ready for you: towels (1 hand towel and 1 medium per person), kitchen appliances, kitchen utensils, cutlery, crockery, glasses, bedlinen, LCD TV, coat hangers, and of course, a boat manual.
