PLANNING YOUR TRIP

The following pages give you a flavour of the most popular routes available. You'll be free to travel in whichever direction you please, and for however long you wish.

Guide book references for each route **P1 N2 L16** refer to the listing on page 64 of the brochure, which can be purchased to help with planning your holiday. As a rough calculation when planning a route, add the number of locks to the distance in miles and divide the total by 3 to give the cruising time in hours.

Ready to choose a boat? Our boat layouts on pages 42-55 ensure that you choose the boat that's right for you and your crew. Taking the holiday at your own pace, two active adults can easily handle a narrowboat. If you are considering a route with more locks, or are travelling with younger children, family or friends, consider taking a larger boat.

Not sure about how to steer a boat? It's pretty simple; as you cruise along, one person steers and the other members of the crew are free to take in the scenery or even walk the towpath alongside. At locks, (and when mooring) one person stays on the boat to steer whilst at least one person works the lock mechanism. When you are first taught to operate a lock it may appear bewildering, but by your second or third try, you'll begin to wonder what you were worried about!

SHORT BREAKS

For a few relaxing days, or to see what a holiday afloat is all about, a short break on a narrowboat is perfect. A three or four night break is long enough to unwind and get used to the slower pace of life.

We have short break boats available from all start bases, each with a number of splendid routes to choose from. Take a three night weekend break starting on Friday, or a four night midweek break starting on Monday for the same price. Remember that these boats are also available for weekly hire and, by adding a short break to a week, you can also take a longer break of 10/11 nights. You can now also start a short break on a Tuesday or Saturday on selected boats.

A photograph of a man with glasses and a light blue shirt, smiling from the deck of a narrowboat. The boat has a green upper hull and a red lower hull with yellow trim. It is on a canal with trees in the background.

1759

In 1759, the Duke of Bridgewater obtained an Act of Parliament to build the first canal from his coal mines at Worsley to Manchester.

1759

1793

Over the next 30 years, numerous canals were built, reaching a peak in 1793 when 20 new canals were authorised by Parliament.

1940

Traffic continued throughout the 1940s and 1950s, but was brought to an end as recently as the early 1960s when a severe winter caused the canals to freeze over for nearly three months.

1944

The revival of the canals for pleasure is largely credited to the book "Narrow Boat" by LTC Rolt, published in 1944.

1930

Diesel powered boats were introduced in the 1930s, providing some opportunity for the canals to compete with road transport.

20TH CENTURY

However, the introduction of the railways brought an end to the commercial use of the canals and, by the start of the 20th century, many canals closed.

LLANGOLLEN CANAL

7 NIGHTS • CRUISING TIME PER DAY 4HRS • TOTAL LOCKS 4 • ROUTE TIME 24 HOURS

The Llangollen Canal has some beautiful scenery and breathtaking engineering, and it is one of the most popular canals in Britain. It combines the gentle countryside of Shropshire with magnificent Wales. It boasts one of the most striking features on the UK canal network - the Pontcysyllte Aqueduct, which you will have to travel across before you get to Llangollen. So how do you pronounce Pontcysyllte? Aim at something like "Pont-kersulty". Unusually, this canal has a flow of 2mph as it feeds other canals, so the outbound journey will always be slower than on the way back. In a week from Blackwater you will be able to take a leisurely cruise and spend more time enjoying the activities around Llangollen (www.llangollen.org.uk) or you could decide to return and either go down the Montgomery Canal or up to Whitchurch where we have another marina. (You must pre-book your passage if you plan to travel down the Montgomery Canal).

WIDE BEAM BOAT AVAILABLE

The Scottish Lowland Canals are quite different from the canals typical of England and Wales. The Forth & Clyde is much wider than the average English canal. The Union Canal is a contour canal and has no locks at all or bridges that have to be opened. Scottish Canals staff currently operate all of the locks and bridges and boaters are not allowed to operate the locks themselves, although help is happily accepted. Between Falkirk and Glasgow there are four locks and three road bridges with a further 18 locks and a number of pedestrian bridges between Glasgow and the Clyde at Bowling. Both the Forth & Clyde and Union Canals were closed in the early 1960s and it was not until lottery funding was obtained in 1999 that

restoration works rejoined the cities of Glasgow and Edinburgh by canal. At a quarter of the cost of the overall £84.5 million project, the Falkirk Wheel is the most significant structure by far, but only one link in the scheme involving rebuilding bridges, clearing blockages and cutting new stretches of canal. For more facts and figures visit their website: www.thefalkirkwheel.co.uk (or ring 01324 619888) but in summary, the 25m level difference between the canals is traversed via a pair of gondolas, which together carry 600 tonnes of water to the 100m aqueduct at the top of the 35m diameter wheel.

Four evenly spaced locks after Bonnybridge take the canal up to the broad, straight section before Auchinstarry. The majestic Campsie Fells rise from the valley that the canal shares with the River Kelvin, and the scenery is superb as the canal then follows contours for the rest of its journey to Glasgow. The canal arm south towards Applecross Street Basin in Glasgow, looks down to where the River Kelvin winds from the university past the museums and botanical gardens. A major port, with a shipping history back to the 18th century, Glasgow has a wealth of museums and collections. The art galleries and museums of Glasgow are never without examples by Charles Rennie Mackintosh — there is even a church designed by him in the city. Discover more at www.glasgowguide.co.uk

EDINBURGH & RETURN

**4 NIGHTS • CRUISING TIME PER DAY 6-10HRS •
TOTAL LOCKS 6 • ROUTE TIME 22 HOURS**

This cruise starts via the Falkirk Wheel and the new Rough Castle Tunnel. Two new locks and a mile of new canal join the original canal at the site of the summit of the flight of 11 locks that used to join the two canals. The stalactites and rock-hewn sections of the Falkirk tunnel are a treat for the budding geologist. Amongst the numerous minor aqueducts en route, three to note are the 12 arch, 85ft Avon Aqueduct and the Almond and Slateford Aqueducts, both at 75ft high. Beecraigs Country Park (01506 844516 / www.beecraigs.com) and the beautifully preserved remains of Linlithgow Palace on the shore of Linlithgow Loch (0131 668 8600 / www.historic-scotland.gov.uk) are within easy reach of the canal. STANDARD ITEMS AVAILABLE ON ALL BOATS:

ADDITIONAL ITEMS AVAILABLE ON SOME BOATS:

Bases	Fri/Mon	Sat
Alvechurch	✓	✓
Gailey		✓

The chart next to each boat description indicates the bases and start days for which boats in the class are available.

As part of our commitment to safety, all of our start bases have been independently audited by British Marine for the standard of boat handover and tuition.

All of our boats are inspected regularly and customer feedback is monitored to ensure our high quality standards are maintained.

All of our marinas are regularly inspected by the tourist boards for England, Scotland and Wales.

ELECTRICITY

All our boats have 12 volt electricity. The batteries charge whilst the engine is running to power items such as the fridge, TV, DVD, CD/ Radio, lights and a cigar lighter socket.

240 VOLT ELECTRICITY

This symbol indicates that the boat has an inverter that supplies 240v electricity to certain appliances on the boat. This is suitable for the electrical items supplied, but may damage your own equipment.

TOILETS

All of our boats are equipped with fresh water flush toilets which will, in most cases, last for a full week without need of pumping out (pump-outs are readily available at most boat yards for a small fee).

ELECTRIC TOILET

This symbol indicates the boat has the latest design of electrically operated macerator toilets, which are comparable to a domestic toilet in terms of size and appearance. Please note that

these are not suitable for the disposal of 'moist toilet wipes', quilted toilet paper or any other items which will block the system.

ALARMS

All our boats are equipped with carbon monoxide and smoke alarms.

COTS

If you are bringing your own travel cot, please check the website or call the marina. Space is obviously limited, and for health and safety reasons we can advise on suitable boats that they can be accommodated on.

COT SIDES

For toddlers and younger children, cot sides can be supplied to fit our bunks (where possible) - request when booking.

OPTIONAL BUNKS

Some classes of boat have an optional bunk bed, which provides greater layout flexibility. These

beds are operated by the boat yard who will either lock it away or set it up for use if you have requested it. There is a 10 stone weight limit for optional high level berths and they may not be used above a double bed.

BUOYANCY AIDS

There are buoyancy aids available free of charge for both children and adults at the marinas (compulsory for children under the age of 18 and non-swimmers). There are two adult buoyancy aids on board but any additional buoyancy aids should be requested on arrival. They do not need to be booked in advance and should be requested upon arrival at the marina so the correct size can be fitted.

TOWELS AND BEDDING

On all boats, a medium towel and a hand towel is provided for every member of the crew. Bedding is provided to suit the bed layout configuration requested.

INSIDE

OUR BOATS

All of our boats have been individually handmade in this country and have unique interiors with different styles.

For specific advice on boat layouts contact the marina

NB. Boats are individually handcrafted, so layouts may vary on different boats within each class from the diagram shown.

BOAT LAYOUTS

There are 28 different classes of boat, with a flexibility of design that allows a choice of berths to suit any group from 2 up to 12 people.

The majority of permanent cabins can be made up as either a double or two single berths - just tell us the layout you require and the boat will be set up in that configuration, with the appropriate bedding, for when you arrive. The symbols indicate its features (see key on page 40) and the box to the right of each boat shows the base and start days it operates.

YOUR QUESTIONS ANSWERED

ARRIVAL & DEPARTURE

We endeavour to have boats ready for collection by 2.30pm on the start day of your holiday. If for any reason you are unable to arrive on time, please contact the start base (telephone numbers can be found at the bottom of the relevant base page) so that special arrangements can be made well in advance of your holiday. A late arrival charge may apply and we may be unable to handover the boat until the following day. Your boat must be returned and vacated by 9.30am on the last day.

ENVIRONMENT

There is a voluntary environmental offset donation suggested at £5 per holiday (see page 58). We have an arrangement with the Canal & River Trust for you to offset your carbon footprint (see page 58). Recycling is available at all bases.

BEDDING

On all our boats, freshly laundered bedding is provided for the number of crew.

BIKES & PADDLEBOARDS

If you are planning to bring bikes or paddleboards on your holiday, please check with the marina as not all locations are able to offer this facility. Please be aware that the only place to store them is on the roof of your boat. You cannot place the bikes inside the boat at any time. Any cost of damage to the boat caused by carrying bikes is your responsibility. Please note you cannot take these to Goytre Wharf and March. Please remember that you need a licence for your paddleboard on the canal.

FISHING

Fishing is prohibited on British rivers between 15th March and 15th June. Fishing is allowed outside these dates and on canals at any time, but an Environment Agency rod licence is required available online or from any post office, with a 1-day, 8-day or annual licence to choose from. You may also need a valid permit or be prepared to purchase one from the controlling angling club or riparian owner when approached on any fishery that offers day permits. For reasons of hygiene, we regret that live bait may not be kept on the boat.

PERSONAL HOLIDAY INSURANCE

We recommend that you take out personal holiday insurance as we only insure the boat which does not cover you or your personal possessions.

CANCELLING A BOOKING

We would like to draw your attention to our cancellation procedure and strongly recommend that you take out your own cancellation insurance. Once your holiday is confirmed, the appropriate payment is required - even if you have to cancel. (See Terms and Conditions).

FUEL

The boat is ready fuelled for your holiday on arrival, but there is a fuel deposit payable with your holiday booking. This is £90 per week and £50 per short break as the cost of fuel is not included in the hire cost. When you return the boat to us the balance is refundable after deducting fuel used. However if you have used fuel in excess of the deposit you will be asked to pay the difference. We feel this is the fairest way possible as you only pay for what you use and there is an incentive to be more environmentally friendly.

BUOYANCY AIDS

There are buoyancy aids available free of charge for both children and adults at the marinas (compulsory for children under the age of 18 and non-swimmers). There are two adult buoyancy aids on board but any additional buoyancy aids should be requested on arrival. They do not need to be booked in advance and should be requested upon arrival at the marina so the correct size can be fitted.

TUITION

No previous experience is necessary, as our boats are extremely easy to handle and full tuition is given at the start of every holiday. Comprehensive cruising information is in a manual on the boat and details are sent out with the holiday documents to introduce you to the theory of locks and the 'rules of the road'. We provide our own 24hr emergency helpline.

"WE HAD A BRILLIANT TRIP AND THE BOAT WAS WELL EQUIPPED AND MODERN. WE HOPE TO BOOK THIS BOAT AGAIN NEXT YEAR FOR A LONGER PERIOD! THANKS ABC."

TOWELS

On all boats, a medium sized towel and hand towel is provided for every member of the crew.

YOUNG CHILDREN

A narrowboat holiday is superb for families. Cot-sides can be provided for very small children on standard berths. Simply indicate this when booking. Cots: If you would like to bring a travel cot please see page 40.

LOOK BEFORE YOU BOOK

We welcome inspection of our boats before you book. Please phone the base before you arrive to ensure they are open and boats are available for viewing (telephone numbers can be found at the bottom of the relevant base page).

MAPS & GUIDES

A number of guides are available for planning your trip or locating sites of interest, pubs, shops and facilities along your route. The guides relevant to each route are indicated on the feature routes (pages 8-39) and detailed on page 64. These may be purchased online at www.abcwebchandler.com or purchased at the start of the holiday at the marina.

LICENCES & RESTRICTIONS

You do not need a driving licence for a narrowboat and the boat itself is licenced by us for CRT waterways. There are a few waterways outside their jurisdiction for which you will need to purchase an additional licence as you enter them, such as the Scottish Canals, Rivers Avon, Thames and Wey. Aldermaston boats have a Thames licence. Our start bases can provide details when you arrive to pick up your boat. The maximum number of people on board is restricted to the number of berths.

ELECTRICAL EQUIPMENT

All personal electrical equipment is used at your own risk. 240v supply is dependent on battery level, which is charged by running the engine 5-6 hours daily.

PETS

This really is a holiday the whole family can enjoy together. Pets (including working assistant dogs) travel for free, normally with a maximum of 2 pets per boat. We obviously request that the boat is returned in a clean and tidy condition, and we reserve the right to refuse pets or charge for any additional cleaning or repairs required as a result of pets being on board during your holiday. All pets must be entered onto the booking form.

PARKING

There is ample open air parking at our bases which is provided free of charge. We regret that we cannot accept responsibility for loss or damage to hirers' vehicles or possessions.

SHORT BREAKS

Every year sees an increase in the demand for these popular short breaks. Some people like the idea of being able to try the holiday out for a few days before committing themselves to a week or longer, whilst others regularly take the opportunity to get away for a few days. Narrowboat holidays are the fastest way of slowing down, so what could be better than a leisurely three or four night break away, enjoying the countryside, relaxing and unwinding.

Because we have boats available for Friday, Saturday, Monday and Tuesday starts we can offer superb three night weekend breaks that conveniently start at 2.30pm on a Friday afternoon and finish at 9.30am on the following Monday. Or if you are looking for extra value for money, you could try our four night midweek breaks. These start on Monday at 2.30pm and finish on Friday at 9.30am, or start on Tuesday at 2.30pm and finish on Saturday at 9.30am. Since the price is the same as a weekend break, you effectively get the extra midweek night free! This can be an additional bonus to those of you that are committed to weekend activities, as you can enjoy a decent break away without losing a weekend. Short breaks are available from all of our bases and sample trips are outlined on the route pages 8-39.

2. Agreement to Hire

2.1 When You request a booking, You are making an offer to hire a boat on these Conditions. Booking requests will only be accepted on the Company booking form, over the telephone or, via the Company website.
2.2 The Agreement will be effective once the Company accepts Your booking and sends You a Booking Confirmation. You may cancel a booking at any time before You receive the Booking Confirmation from the Company. Similarly, the Company may hire the boat to another party at any time before it sends You a Booking Confirmation or if You fail to pay the Deposit.
2.3 You are responsible for the accuracy of the personal details and any other information supplied in respect of You and Your party. When You receive the Booking Confirmation please check the details carefully and inform the Company immediately if anything is incorrect.

3. Prices and Payment

3.1 The advertised prices are in pounds sterling (£) and include value added tax (VAT) at the rate applicable on the date of the Booking Confirmation. If after the date of the Booking Confirmation the rate of VAT applicable to Your hire changes and/or any other tax, levy or local authority charge becomes applicable to Your hire, the Company reserves the right to amend the Price accordingly. You enter into this Agreement with the Company acting in its capacity as the disclosed agent of the owner of the boat and the Company performs its obligations under this Agreement on behalf of the owner. The parties acknowledge and agree that the Company is acting in the Boat Owner's name and is authorised to enter into contracts with Hirers on behalf of Boat Owners and to collect payment from Hirers and to otherwise manage the hiring of boats to Hirers. A booking is a legally binding contract between the Hirer and the Boat Owner. The booking confirmation and booking statement are not VAT invoices.
3.2 Details of the price of the boat can be made available upon request; however, any claim you might have arising out of the terms of this Agreement shall be made against the Company.
3.3 The Company reserves the right to correct errors in advertised or quoted prices before or at the time of booking and will confirm the correct price in the Booking Confirmation.
3.4 Subject to Condition 31, the Booking Confirmation sets out the total Price that You must pay to the Company under the Agreement.

3.5 You are responsible for making all payments due to the Company under the Agreement. Payment is deemed to have been made by You when cleared funds are received in such bank account as the Company nominates in the hire confirmation.
3.6 You shall pay the Deposit to the Company at the time of the booking request by Credit/Debit Card or bank transfer.
3.7 You shall pay the balance of the Price, together with the Fuel Deposit not less than 8 weeks before the Start Date. Time of payment is of the essence. Failure to pay the Price by the due date may result in the booking being cancelled and Your liability for payment continuing.
3.8 For bookings made less than 8 weeks before the Start Date, You must pay the total Price together with the Fuel Deposit immediately following receipt of the Booking Confirmation.
3.9 The Company may, at its sole discretion, charge interest at 4% per annum over the base rate set by the Bank of England on any amount outstanding under the Agreement from the due date for such amount until the date of its payment in full. Without prejudice to any other term of these Conditions, the Company may cancel Your booking if any amount due under the Agreement is not paid in full by its due date.

4. Your Party

4.1 Personal agreement and obligations: The Agreement is a personal one between You and the Company on behalf of the boat owner, and Your identity(ies) and the identity of members of Your party are a material factor in the Company's decision to enter into the Agreement. You must be at least 18 years of age at the time of booking and possess the legal capacity to make the booking. You must be authorised by all other members of Your party to enter into the Agreement and accept these Conditions on their behalf. The full names, ages and permanent addresses of all members of Your party must be provided to the Company at the time of booking. All changes in Your party the addition, substitution or removal of any member of the party which take place at any time after the Booking Confirmation has been issued (including during the Hire Period) must be communicated in writing and approved by the Company (such approval is subject to these Conditions, but otherwise may not be unreasonably withheld). You are responsible for making all members of Your party aware of the terms of the Agreement.
4.2 Parties, school or youth groups, and commercial purposes: unless expressly agreed in the Booking Confirmation, the boat may not be used for parties, school or youth groups or for any commercial purpose.
4.3 Disability and/or reduced mobility: If you or any member of Your party has a disability and/or reduced mobility that may affect Your booking, it is Your responsibility to notify the Company when making the booking or, if such disability and/or reduced mobility becomes apparent after the booking, no later than 48 hours prior to the Start Date. Subject to the foregoing, although the Company has no expertise in this subject matter, the Company will try and advise you as to the suitability of the boat you have chosen to hire and possible alternatives but you acknowledge that certain space restrictions and practical safety considerations apply on board boats which may prevent a person with a disability or reduced mobility from accessing the boat and/or complying with all safety requirements. Where You have made a booking and You or a member of Your party subsequently becomes disabled or otherwise a person with reduced mobility the Company may not always be able to accommodate their needs. If in the Company's

reasonable opinion it is unable to properly accommodate the needs of the person(s) concerned or You do not accept such alternative arrangements as the Company may offer, the Company may, without liability, treat this as a request to terminate Your booking and Condition 71 shall apply. The Company may require the person(s) concerned to produce a medical certificate certifying that they are fit to participate in the hire of the boat. The Company shall not be liable for any loss or damage caused as a result of a disability and/or reduced mobility, save where such loss or damage is caused by the negligence of the Company and results in death or personal injury.
4.4 The use of alcohol and illegal drugs: The Company's right of immediate cancellation: You must not navigate the boat while You or anyone on board is, or appears to be, under the influence of alcohol or illegal drugs.

5. Changes Requested by You
5.1 Bookings may only be changed with the written agreement of both parties and in accordance with these Conditions.
5.2 If you wish to change Your booking, the Company will use reasonable endeavours to accommodate such changes, provided that notification is received in writing from You. The Company reserves the right to charge an administration fee of £50 in addition to any increase in the cost of the booking due to such changes. No refund will be given where any agreed changes would otherwise have resulted in a lower Price for Your booking.
6. Cancellation by You
6.1 The Agreement is a legally binding contract and may only be cancelled in accordance with these Conditions. You have no statutory right of cancellation under The Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013.
6.2 If You want to cancel the Agreement You must give the Company written notice (by email or such other means as directed by the Company) the "Cancellation Notice". The date of receipt of the Cancellation Notice shall be the effective cancellation date.
6.3 In the event of Your cancellation of the Agreement, the Deposit, any insurances and credit card charges are non-refundable and in addition you shall be liable for the following charges dependent on the proximity of your cancellation to the Start Date:
6.3.1 More than 56 days before the Start Date 25% of the hire price.
6.3.2 43-56 days before the Start Date 50% of the hire price.
6.3.3 29-43 days before the Start Date 70% of the hire price.
6.3.4 8-28 days before the Start Date 80% of the hire price and 7 days or less 90% of the hire price.
6.3.5 The company suggests that hirers take out Cancellation Protection or other similar protection to cover any losses in the unfortunate event that they are not able to take their holiday.
6.3.6 The Company will endeavour to resell the boat following receipt of the cancellation notice. If successful an administration fee of 15% of the Hire price will be levied.

7. Cancellation by the Company

7.1 The Company may at any time by written notice to You terminate the Agreement with immediate effect.
7.1.1 in accordance with Condition 4.3.
7.1.2 in accordance with Condition 8.4.
7.1.3 if there is a Force Majeure Event which for whatever reason prevents the Company from performing the Agreement.
7.2 Where the Company terminates the Agreement in accordance with Conditions 7.1 to 7.1.3 inclusive, the Company shall, save where otherwise agreed in writing with You, refund the Deposit and all other amounts paid by you and shall have no further liability thereafter.

7.3 The Company may refuse to hand the boat over to You and/or repossess the boat at any time after the Start Date and in either case terminate the Agreement with immediate effect.
7.3.1 You fail to pay any amount due under the Agreement.
7.3.2 You or any member of Your party cause damage or loss to the boat, its services or facilities; or
7.3.3 the Company considers that you are, without the Company's prior written approval, using or intend to use the boat for parties, school or youth group, or commercial purposes;
